

## **The Cat Who Chose To Dream:**

*School reviews after author visits*

*"Thank you so much for coming to our class to do a presentation. It was a lot of fun and I learned a ton. The book that you wrote was marvelous...The art work and the writing really went together and made the story VERY understandable. Even though you said we helped you (during your presentation about the book), you actually helped us understand much more"*

Helena, 4th grade

*"I loved your presentation! I learned so much and it was so moving. I cried when I got home...I loved the illustrations, they were so beautiful...(This) is a book for everybody, you can learn a lot from it and also just enjoy the beautiful story and pictures..."*

Noa, 4th grade

*"...You were AMAZING. Your presentation was very well paced and at the perfect level for the 5th graders. You brought tears to my eyes on three different parts of your talk... Thank you so much for coming and telling your story to our students..."*

Mele, 5th grade teacher

*"...The kids and I were very moved by the presentation. I was also very impressed by your beautiful book...It is such a painful history, but the kids need to know it and I think they really understood and appreciated learning the history."*
